Wireless Multiroom Full Digital HiFi Amplifier

## Introduction

Introducing the Kasper Ênte 50A Wireless Multiroom HiFi Amplifier, transforming your home audio. Seamlessly integrate WiFi, AirPlay, Spotify Connect, and Bluetooth 5.0 into your existing setup. With a potent 50W*2 output, it powers 40 speakers at 24V, accompanied by a Sub Out for rich bass. Craft your custom multiroom system using the 4STREAM App to control playback effortlessly. Stream directly from Spotify, Amazon Music, Tidal, and more, ensuring top-tier audio quality without Bluetooth limitations. Elevate your audio experience with Kasper Ênte 50A.
